

# 14<sup>th</sup> International Conference on Pressure Surges Eindhoven, The Netherlands; 12th - 14th April 2023

## Venue

Eindhoven University of Technology  
Buildings: Auditorium (Blauwe Zaal) and Atlas (0.820)  
De Zaale  
5612 AZ Eindhoven  
The Netherlands

## How to get there

The recommended way to travel is by train. Both conference venue and city centre are conveniently located within walking distance near Eindhoven's central railway station, with frequent and direct connections from the terminal of Amsterdam Airport Schiphol (via Utrecht) and many other national destinations. This is the usual option for travellers flying in from abroad. You can plan your trip and buy an e-ticket online via [NS](#). More information about Dutch railway service can be found on this [Wikipedia page](#).

If you fly in via the regional Eindhoven Airport you can make use of a [regular shuttle bus service](#) to and from the central station.
